Do not use a Post Office Box Number except for Rural Routes and numbers.
As Applicable
3b. Identify the State/Country of where the services were rendered.
4. Check the box to indicate patient's relationship to sponsor. If "Other" is checked, indicate how related to the sponsor; e.g., parent.
5. Enter patient's date of birth (YYYYMMDD).
6. Check the box for either male or female (patient).
7. Check box to indicate if patient's condition is accident related, work related or both. If accident or work related, the patient is required to complete DD Form 2527, "Statement of Personal Injury - Possible Third Party Liability TRICARE Management Activity." Download the form at https://tricare.mil/forms.
8a. Describe patient's condition for which treatment was provided, e.g., broken arm, appendicitis, eye infection. If patient's condition is the result of an injury, report how it happened, e.g., fell on stairs at work, car accident. Include health reason for prescription needs (e.g. diabetic, hypothyroid).
8b. Check the box to indicate where the care was given.
8c. If this claim is for care received overseas, indicate if services were received by telemedicine.
9. Enter the Sponsor's or Former Spouse's last name, first name and middle initial as it appears on the military ID Card. If the sponsor and patient are the same, enter "same."
10. Enter the Sponsor's or Former Spouse's Social Security Number (SSN) or Patient's DoD Benefits Number (DBN). Note: the sponsor number may be your own SSN.
11. By law, you must report if the patient is covered by any other health insurance to include health coverage available through other family members. If the patient has supplemental TRICARE/CHAMPUS insurance, do not report. You must, however, report Medicare supplemental coverage. Block 11 allows space to report two insurance coverages. If there are additional insurances, report the information as required by Block 11 on a separate sheet of paper and attach to the claim. Pharmacy specific plans must be reported. **NOTE:** All other health insurances except Medicaid and TRICARE/CHAMPUS supplemental plans must pay before TRICARE/CHAMPUS will pay. With the exception of Medicaid and CHAMPUS supplemental plans, you must first submit the claim to the other health insurer and after that insurance has determined their payment, attach the other insurance Explanation of Benefits (EOB) or work sheet to this claim. If care is provided overseas you must include EOBs for any portion a travel insurance or Medicare Advantage Plan reimbursed. If VA Foreign Medical Program (FMP) reimbursed a portion of services you must include a copy of the FMP EOB. *The claims processor cannot process claims until you provide the other health insurance information.*
12. The patient or other authorized person must sign the claim. If the patient is under 18 years old, either parent may sign unless the services are confidential and then the patient should sign the claim. If the patient is 18 years or older, but cannot sign the claim, the person who signs must be either the legal guardian, or in the absence of a legal guardian, a spouse or parent of the patient. If other than the patient, the signer should print or type his/her name in Block 12a. and sign the claim. Physical wet signature or Common Access Card (CAC) is required.
Attach a statement to the claim giving the signer's full name and address, relationship to the patient and the reason the patient is unable to sign. Include documentation of the signer's appointment as legal guardian, or provide your statement that no legal guardian has been appointed. If a power of attorney has been issued, provide a copy.
13. If this is a claim for care received overseas, indicate if you want payment in US or local foreign currency. Check the box if you made payment to the provider and ensure proof of payment is attached to claim.
